25.2. MERIT SCHOLARSHIP

Three merit scholarships, one each of value of full, half and quarter tuition fee respectively, as prescribed from time to time for general category of MCA/MCA (LEET) and M.Sc. students, be awarded to the students in MCA/MCA (LEET) and M.Sc. programme wise and year wise, on the basis of merit used for making admissions. MCA (LEET) students for 3rd year will be awarded out of combined merit list of MCA third year.

Merit scholarships will be awarded only if the number of students registered in a discipline is at least five.

25.3 ELIGIBILITY

25.3.1 Only those students will be eligible for the award of Institute merit scholarships who have cleared all the courses prescribed for the respective programme upto the stage of the award. In other words, they should not have any backlog.

25.3.2 Merit Scholarships-I, Merit Scholarships-II, Merit Scholarships-IV(A), Merit Scholarships-IV(B) of B.E./B.Tech. shall be awarded to the students as per prescribed criteria in the above table. Only students selected in first year shall continue to get the scholarship in subsequent years on fulfillment of required conditions.

25.3.3 Merit Scholarships-III, Merit Scholarships-IV(C), Merit Scholarships-V covering 10% of the students' strength (other than over and above intake) of B.E./B.Tech. shall be awarded every year on the basis of AGPA earned in the preceding year and criteria mentioned in above table. In case student is upgraded through December Test in 1st year, he/she will not be eligible for merit scholarship in 2nd year on the basis of his/her performance in 1st year.

In case FN/NRI student or IEP student is selected for merit scholarship-III in second year or subsequent years, he/she will be given award amount as per the tuition fee charged from Indian students of the same batch.

25.3.4 Award of Merit Scholarships in the first year of MCA/ MCA (LEET) and M.Sc. programme will be based on the merit used for making admissions. In the subsequent years, these would be based on the AGPA earned by the student during the preceding academic year.

25.3.5 The student who has been awarded merit scholarship by the Institute are entitled to receive stipend or any financial assistance from any other source. However, if the student is awarded any stipend or financial assistance from any other source, he shall immediately communicate the same to Dean of Academic Affairs (DoAA).

25.3.6 There will be no income limit of the guardians/parents of the students for the grant of merit scholarships.

25.3.7 In case a student is eligible for more than one scholarship/freeship, he/she shall be awarded only one scholarship/freeship as per his/her preference.

25.4 COLLABORATION WITH TATA MOTORS

Thapar Institute of Engineering & Technology and Tata Motors Limited have signed a Memorandum of Understanding (MoU) for the purpose of undertaking collaborative activities. The objective of the MoU is to provide a formal basis for initiating interaction between Thapar and Tata Motors.

The major areas of collaboration under this MOU are

1. Year 1 onward engagement with engineering student, where a certain set of students will be mentored through their programme and may result in a PPO. These students will be known as "Tata Scholars" and will likely be given a stipend also from year one.
2. 6 months' internship for B.E. students.
3. Faculty and / or student's collaboration / projects for M.E. programme.
4. Partnering in the CSR initiatives by Tata Motors to promote education, research and / or societal well being
5. Guest Lecture Series

The students of following programs, but not limited to, are likely to benefit from this collaboration.

Mechanical Engineering, Mechanical Engineering (Production), Mechatronics Engineering, Electrical Engineering and Electronics (Instrumentation & Control) Engineering.

25.5 ALUMNUS WARD SCHOLARSHIP

Four scholarships @ ₹50,000/- per annum: One scholarship to one ward of alumnus in each year of B.E./B.Tech. on merit-cum-means basis.

These scholarships are given by TIET Alumni Association.

In addition to above some other scholarships are given through TIET Alumnus mentioned in the scholarship table.

25.6 SELECTION

25.5.1 The award of merit scholarships for B.E./B.Tech., LEET, MCA/ MCA (LEET) and M.Sc. programs shall be announced every year by the DoAA.

25.5.2 If the student declines (or is not awarded merit scholarship for certain reasons) it shall be awarded to the next student in the approved list.

25.5.3 The merit scholarships shall be tenable for one academic year.

25.7 TIE BREAKER

In case of a tie at AGPA, it shall be broken by considering number of A+ grades secured by the students during the period under consideration for calculation of AGPA. If number of A+ grades secured by students are same then tie shall be broken by considering the students' performance on the basis of CGPA. If the CGPA is also same, the tie shall be broken using the percentage of marks obtained by the students in all the courses of last two semesters (3 trimesters for MBA program). If, however, the tie still exists then it will be broken by considering the merit of the entrance examination taken at entry level.

25.8 WITHDRAWAL

If a recipient of merit scholarship is found guilty of gross misconduct his/her case after due warning shall be reported by the DoAA for withdrawal of merit scholarship and decision in this regard will be taken by the Deputy Director.
