Organized by

**MECHANICAL ENGINEERING
DEPARTMENT**

THAPAR UNIVERSITY
(Established under section 3 of UGC Act, 1956
vide Notification No F-9-12/84 –U3 of GOI)
Post Box No. 32, Patiala (Punjab) – 147004

OBJECTIVES

AutoCAD is a general purpose Computer Aided Design and Drafting (CAD) tool which can be used to create all kinds of line drawings mostly used in design communication. This course is designed to provide the aspiring engineering students with the basic AutoCAD commands and computer-aided-drafting concepts to draw, design, and draft. Emphasis is placed on efficient and accurate drawing techniques incorporating the features, commands, and techniques for creating, editing, and printing 2D production drawings.

THAPAR UNIVERSITY

Thapar University formerly known as Thapar Institute of Engineering and Technology (TIET) is a premier institute of technical education known for its excellence in teaching and research in the Northern region. It runs various academic programs from undergraduate to doctoral level in all the major fields of Science and Engineering. Thapar University has been consistently ranked amongst the top Technical Schools of India by the different ranking agencies.

MECHANICAL ENGINEERING DEPARTMENT

Department of Mechanical Engineering is the oldest department of the university aims to produce quality professionals in Mechanical Engineering to compete globally and excel by carrying out basic and applied research in emerging areas by forging strong industry-institute interaction.

The Mechanical Engineering Department offers following programs:

B.E. (Mechanical Engineering),
B.E. (Mechatronics Engineering),
B.E. (Production Engineering),
M.E. (CAD/CAM Engineering),
M.E. (Production Engineering),
M.E. (Thermal Engineering) and
Doctoral programs leading to Ph.D. degree.

The U.G. program of the department has been accredited by different accreditation agencies.

COURSE CONTENTS

Practical training on AutoCAD 15.0 and Microsoft Excel.

BENEFITS OF THE COURSE

During this course the participants will be exposed to:

- Use of AutoCAD for creation, editing and presenting 2D drawings in detailed and visually impressive manner.
- Use of Microsoft Excel for data storage, scientific computations and presentations.

ELIGIBILITY

The students of diploma in engineering and 1st year students of B.E./B.Tech. programs are eligible. The 2016 passing out students of 12th class who aspire for admission to engineering programs in year 2016 can also be considered.

COURSE FEE

Rs 2000/- per participant.

REGISTRATION

Interested candidates are requested to submit the duly filled registration form till 25th May, 2016 in the office of Head, Mechanical Engineering Department, Thapar University, Patiala. The registration of candidate will be first come first served basis up to maximum of 30 candidates. Travelling, lodging and boarding expenses will have to be borne by the candidate.
