(www.thapar.edu)

Adv No. : TU/ADMN/PSL/FT(O) 2015

FACULTY HIRING

Thapar University, Patiala is serving the nation in the field of higher education since 1956 primarily in Engineering, Science and Management education. This is one of India's finest Engineering Institutes and is consistently ranked amongst the top 20 in the country. Thapar University takes pride of its enviable infrastructure spread over in its sprawling 250 acre campus that is also home to over 100 teaching and research laboratories. This already impressive infrastructure will be further bolstered by World Class Learning Centre, A Green Building for Library and state of the art Lecture Theatre Complex.

In line with our mission to provide world class educational experience by incorporating global best practices in its format, we have embarked upon a Contemporization Programme under the academic mentorship of **Trinity College Dublin, University of Dublin, Ireland**. This unique partnership has been contemplated to give students a flavor of international education experience, prepare them for professional careers and expose them to state of the art facilities and cutting edge research in the field of Engineering, Science and Management.

The curriculum of the undergraduate and postgraduate programmes at Thapar University is being revised to place greater emphasis on research-inspired and project lead teaching. All academic staff is encouraged to bring in cutting-edge research ideas from their own research into their teaching.

We are also setting up a Centre for Academic Practice and Student Learning under the mentorship of Trinity to support and help our faculty hone their skills and teaching pedagogy to facilitate a broad adoption of the new learning paradigm.

Applications are invited from highly qualified, motivated and research focused candidates with consistently outstanding academic achievements / potential to excel in teaching and research for the following positions:

• **Associate Professor**

• **Assistant Professor (III / II / I)** • **Lecturer (Contractual)**

Salary / remuneration shall not be a limiting factor for deserving candidates. We also provide excellent facilities & financial support for research.

You can browse www.thapar.edu >> Faculty Openings-2016 to find further details on the Academic Units and specializations where the positions are available. Please browse "HOW TO APPLY" in the Information & Instruction sheet before filing the application. Applications received upto 29th February, 2016 would be considered for this round of selection. This, however, is a rolling advertisement.
