Recruitment of Junior Research Fellow (NBHM Funded Project)

Applications are invited from the candidates for recruitment of Junior Research Fellow (JRF) under NBHM (DAE) research project entitled "Numerical Analysis of Tumor Growth Models using Discontinuous Galerkin Techniques".

Required Job Profile: Candidate must possess M.Sc. in mathematics with good academic record with NET qualified. Preference will be given to candidates qualified in NET/GATE. The candidate must have strong background in analysis, partial differential equations, and numerical analysis and should be strongly motivated to research in partial differential equations and applications.

Fellowship: Rs. 25000.00 per month for first and second year and Rs. 28000.00 per month for third year.

Tenure: 3 years and this work will lead to Ph.D.

How to Apply: Eligible and interested candidates should send their detailed resume (CV) through e-mail to Dr. Paramjeet Singh (paramjeet.singh@thapar.edu), Principal Investigator of the Project. Last date to receive the applications is January 10, 2018. The date and time of interview will be informed by email to eligible candidates.
