EVENTS HELD :

- IFLS Society Fair
- Dog Care Camp
- Sustainable Brains
- My Sketch Book Event

Sustainable Brains:

The Sustainable Brains event was conducted by IFLS under Aranya 2014. The event was themed around sustainability and aimed to invoke the thinking process of the participants towards common daily sustainability issues.

My Sketch Book Event:

IFLS conducted the second edition of the Green Book Event on the 12th August, 2014. The event was conducted with the motive of providing awareness to children in a fun manner rather than the traditional classroom approach.

IFLS Society Fair:

IFLS had set up a stall in the society fair event under the Frosh Week 2014. The primary motive was to acquaint the freshers with the society, its past activities and the upcoming events.

Dog Care Camp:

A dog care camp was organized by IFLS on the 23rd of August in which basic veterinary care of pets and stray dogs was carried out.
