ADVERTISEMENT FOR THE POST OF JRF IN DST-SERB SPONSORED PROJECT

Thapar University (TU), one of leading centers for research and teaching in the country, provides excellent facilities and ideal atmosphere to peruse research in advanced fields of Science & Technology. TU invites application for the post of JRF in a DST-SERB sponsored research project entitled “**Electroreduction of carbon dioxide to ethanol using nanostructured copper-based electrocatalysts**”. The scope for enrolling in Ph.D. programme at TU is available under this project. Applications from the eligible candidates meeting the minimum qualifications and want to persue higher education in this advanced field of Science & Technology may send their curriculum vitae along with contact details of two referees either by email (**hbhunia@thapar.edu**) or through post on or before August 31, 2017. TU reserves the right to fix suitable criteria for short-listing the eligible candidates for the personal interview; short-listed candidates will be called by e-mail only. The original certificates should be brought for verification at the time of interview. No TA/DA will be provided to candidates for attending the interview.

Qualifications:

JRF: First Class B.E./B.Tech. (Chemical Engineering) and M.E./M.Tech. in Chemical Engg./Polymer Engg./Biochemical Engg./Environmental Engg. with **GATE** qualified.

Duration of project: The duration of the project is three years. However, the initial appointment will be for one year, and may be extended based on the candidate’s performance. The appointment is purely temporary and will be coterminous with the completion of the project.

Age Limit: 28 years as on August 31, 2017.

Fellowship and other allowances: Rs. 25,000/- + HRA + Medical Allowance
(As per DST-SERB norms).
