

Application for the post of Junior Research Fellow (JRF) in DAE-BRNS Sponsored Research Project

Applications are invited from eligible candidates for a post of Junior Research Fellow (JRF) to carry out research studies under the following research project sanctioned by the Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy (DAE), Govt of India.

Title: - 'Effect of nuclear density approximation and shell closure in the dynamics of heavy-ion induced reactions'

Position: - Junior Research Fellow (JRF)

Eligibility: – As per DAE-BRNS norms.

Emoluments: - As per DAE-BRNS norms.

Duration of Project: - 3 years; Appointment will be reviewed every year. (JRF can be promoted to Senior Research Fellow subject to satisfactory performance during initial 2 years.)

Last Date of Application: - 21 days from the date of advertisement

Mode of selection: Only shortlisted candidates will be interviewed and selection will be based on his/her performance in personal interview by a selection committee. Applicant's academic record, the merit of research interest and understanding of the subject will be the key factors for consideration of the application.

Mode of application: Interested candidates may apply with a brief bio-data mentioning (a) the percentage/CGPA obtained at the graduate and post graduate level (b) NET/GATE/SLET score and (c) the information of the dissertation/project work carried out (if any) along with the copies of relevant certificates.

The completed application should be sent to rajkumar@thapar.edu before the due date.

No TA/DA will be paid for attending the interview.
