

## INDUSTRIAL VISIT

2019

1. **Name of Industry & Address:** Ballarpur Industries Limited, Yamuna Nagar, Haryana
2. **Date & Duration:** 21 Feb 2019 (one day)
3. **Visit Coordinators:** Dr. Alok Garg and Dr. Neetu Singh
4. **Student Coordinator:** Lakshya Saxena (Roll No: 101701011)
5. **Participants:** B.E. (Chemical Engineering) Second Year
6. **Objective & Summary of Visit:**

The industrial visit was organized by Chemical Engineering Department, co-ordinated by **Dr. Alok Garg (Assistant Professor)** and **Dr. Neetu Singh (Associate Professor)**. **Mr Shamim (Head R & D BILT Yamuna Nagar)** co-ordinate the visit from industry side. 19 students from BE Chemical Engineering Second Year participated in the event.

BILT Yamuna Nagar is one of the leading paper manufacturing industry in India. Students visited the various sections of the plant like chipper section, pulp making, bleaching house, paper making, coating and final finishing operations. They seen various units and operations in the plant like, chipper, digester, evaporator, rotary filter, heat exchangers, bleaching units, pulp stock preparation, paper machine, final finishing and cutting. Students also seen the testing laboratory in the plant site, where they use to check the various parameters of finished paper. The students learnt and improved practical aspects of subjects like reaction, heat transfer, mass transfer, pollution abatement, etc.
