

## **Dear Students (UG First Year Admitted Students),**

I on behalf of Thapar Institute of Engineering and Technology (TIET), Patiala, welcome you all to the **Frosh (Orientation) Week**, a week which will give you a flair of being at Thapar Institute. Your journey at TIET will begin from **September 14, 2020** in online mode with an address by our **worthy Director**.

Further during this week our Deputy Director, Dean (Academic Affairs), Dean (Students Affairs) and Head (Placement) will interact with you regarding academic regulations and various students related activities. We advise you to participate in the week-long activities in order to familiarize yourself with TIET.

Your regular classes will start in online mode from **September 21, 2020**. Timetable for classes will be shared with you by **September 15, 2020**. These classes will be conducted through TIET Learning Management System (LMS), a portal having subject related e-contents, lecture recordings and the important academic announcements.

E-contents of some of the courses prepared by our faculty members are being shared with you for your reference. We request you to go through these courses till the commencement of your regular online classes.

### **Details regarding the access of the e-contents are mentioned below:**

1. Click the link <ftp://storage.thapar.edu>

**OR**

Open <ftp://storage.thapar.edu> in Chrome Web Browser 2.

This service will ask for username and password.

Username: **Your email id as per admission application data**

Password: You password is **Last six digits of your application number**

3. The browser will show you an **e-Contents Group link**. **Click on it**. You will see your course folders. Click on any course and you have access to e-contents.

We hope that this institute will serve as a launchpad towards the fulfilment of your dreams and aspirations.

Stay indoor, Stay safe.

Dr. S. S. Bhatia  
**(Dean Academic Affairs)**
