

# Enhancing Class Participation through interactive teaching and assessments with maximal engagement

#### Aim

- □Inspect the correspondence between student engagement and creative self concept
- Provide students with real-world examples and experiences to back up the knowledge they are absorbing
- Adaptable lesson plans
- Motivate students to engage with background reading
- **Saving time and cost**
- Maintain safe and respectful class environment
- **Encourage students to participate in discussion**
- **□**Fun & enjoyment for students
- Hearten and reward development of communication skills and group skills
- **Apply reflective and integrative learning**
- **Embolden students to fully participate and improve their** learning
