

THAPAR INSTITUTE
OF ENGINEERING & TECHNOLOGY
(Deemed to be University)

About Us:

The Thapar Institute of Engineering and Technology (Deemed to be University) is one of India's oldest and finest educational institutions, which provides a steady source of highly skilled talent to the nation as well as overseas. Founded in 1956 with a campus spread across sprawling 250 acres, Thapar Institute of Engineering & Technology (TIET), located in Patiala, has been a pioneer in engineering education, research and innovation. Our community involves ingenious minds solvers who are eager to make the world a better place to live in with their innovative techniques and discoveries. Rated amongst the top ranked innovation-driven private universities and technical institutes in the country, TIET has been accredited with an 'A' grade by the National Assessment and Accreditation Council (NAAC). Our sole mission is to provide a scholarly and professional environment that enables our faculty, students and staff to make lasting contributions to the advancement of learning. SCI FEST 2019

Events

Talk by Eminent Personality on
CAREER IN SCIENCE

Quiz

- Only 1 Team from each college
- Each team consists of three students

Attractive prizes for
Winners

Poster Presentation

- Theme: Work of eminent scientists/mathematicians highlighting their significance and applications
- Any number of teams can participate
- A team should have 2 members only
- Size should be 1 x 1 sqm

Model display

- Any working or non working model related to science/mathematics
- Any number of teams can participate
- A team should have 2 members only

Scientific Rangoli

- 2' x 2' rangoli on scientific innovation
- Time- 1 hr
- Participants will bring their own colours and material
- No use of softcopy or hardcopy of design allowed
- Any number of teams can participate
- A team should have 2 members only

Registration starts at 8.30 am

Scope of Sci Fest

This fest aims to bring together young minds by giving them an opportunity to actualize their deep interest in science. With this objective in mind, the participation of undergraduate students pursuing science is encouraged

At LT102,
New Academic Block

Valedictory
3.45 pm

Participating Schools

- School of Mathematics
- School of Chemistry and Bio-Chemistry
- School of Physics and Materials Science
- School of Energy and Environment

Registration

Last date- 15 February, 2019
