

FACULTY OPENINGS: Specializations Required

Computer Science and Engineering	Cyber and Information Security
	Artificial Intelligence
	Machine Learning
	Data Science and Analytics
	Computer Animation and Gaming
	Computer Networks
	Cloud Computing
	High Performance Computing
	Software Engineering
	Cognitive Computing
	Quantum Computing
Electronics & Computer Engineering	Data structures and Algorithms
	Software Engineering
	Operating Systems
	Mobile App Development
	Quantum Computing
	Parallel and Distributed Computing
	Compiler Construction
	Artificial Intelligence
