

Subject: **Lecture 3 @ Bi-weekly Lecture Series on “Automotive Technologies” in MED on 29th November 2021 from 5:00 P.M.-6:30 P.M.**

Dear all,

The Department of Mechanical Engineering at Thapar Institute of Engineering and Technology, Patiala has initiated a lecture series (through online mode) in which experts from renowned industries would be invited to deliver lectures on advanced topics of Automotive Technologies. The target audience would be undergraduate and postgraduate students. This series would enable the students to get acquainted with the latest technological developments.

The keynote speaker (for 3rd lecture) for this bi-weekly series is **Mr. Ayush Maheshwari (PhD Researcher, Dynamics and Control Technische Universiteit Eindhoven, Netherlands)**. He will deliver expert lecture on the topic **“Development of ADAS Systems”** on 29th November 2021 from 5:00 P.M.-6:30 P.M

Here, I am sharing the link for attending the webinar.
