

THAPAR INSTITUTE
OF ENGINEERING & TECHNOLOGY
(Deemed to be University)

About Us:

The Thapar Institute of Engineering and Technology (Deemed to be University) is one of India's oldest and finest educational institutions, which provides a steady source of highly skilled talent to the nation as well as overseas. Founded in 1956 with a campus spread across sprawling 250 acres, Thapar Institute of Engineering & Technology (TIET), located in Patiala, has been a pioneer in engineering education, research and innovation. Our community involves ingenious minds solvers who are eager to make the world a better place to live in with their innovative techniques and discoveries.

Rated amongst the top ranked innovation-driven private universities and technical institutes in the country, TIET has been accredited with an 'A+' grade by the National Assessment and Accreditation Council (NAAC). Our sole mission is to provide a scholarly and professional environment that enables our faculty, students and staff to make lasting contributions to the advancement of learning.
