

I WANNA BE ME

I don't have
The eyes of berry,
The smile of Hilary,
But that's what makes me wanna be me!
What I have today are the most special things,
I have got a dream, a future and the wings.

The wings to explore,
The wings to fly high,
I have got no limits
I wanna touch the sky.

I wanna be someone no-one's been,
Someone great no-one's seen!
For most people,
Life is a game,
It's all about money, Fame 'n' name

You should live to life, you love
And love the life you give,
Learn how to love, care 'n' give.
This is what I can be,
All motivated as I can be
I am bird totally free
Because
I love being me!!!!!!!!!!!!
